20. From the subsequent petitions and their enclosures received from the Lingaits and the Vadagalas, the following additional facts are gathered :—

(i) From the copy of the order issued by the District Magistrate to the Amildar of the Talluk on the 5th April 1877, (presented by the Vadagalas) it is observed that the

the consecration of a Linga
idol was refused ~~by~~ to

late Maharaja Krishnaraja
Wadiyar Bahadur III in 1830; similarly
by the Commissioner of
Mysore in 1856 & 1860;
and by the Division Superintendent
of Ashtagram in 1861.

(ii) From the copy of the
Firman granted by H. H.
the late Maharaja Krishna
-raja Wadiyar Bahadur III
on the 7th November 1829
(This does not seem to
have been made applicable
to the Temple at S. Narasipur
as a fresh Firman appears
to have been issued in 1830
as noted above) it is
observed that H. H. issued
a general order throughout
the

cessation of the garger

where no such Vigrahams
had existed.

from the original order

from Zgovernment Singhalese

of T. Narasipur

22 In 1899 a petition was, for the first time received in this office from Zgovernment Singh-chari and others of the Zongala Lr., stating that Devikar Mr. Rice was residing in the Zanjanarasimha-swami Temple at T. Narasipur, and that

some people had been
contemplating to call one
of the old Vigrahams
in the said temple, by the
name of Desikar, in view
to the idol being newly
consecrated. The late
Mayavaram Sundara Mudaliar forwarded
this petition to the Dy Comr
of the Negapatam District, observing
that, if the allegations contained
in the petition were true,
no consecration of any
new idol in the temple
should be permitted and
that no new name should
be given to the old Vigraham.
What action was taken
by the Dy Comr on this,
is not clear -

With Rubkari no

April 1899.

23 In July 1901 Appathya
Narasimhachar and
others of the Vadagale
Sect presented a counter
petition to this Office
stating that there
existed the Desikar idol
in the temple from a very
long time and that
he were performing there
as might be observed
from the Temple Parpattiyar
~~Taluk Accidar~~

(copy of which they sub-
-mitted with their petn);
and that the Tengales,
out of revenge, had
petitioned the authorities
representing falsehood
and that the Amildar

who was of a Bengalee
Sect- hand stopped the
Desikar Ratnavelu also.
This petition having also
been forwarded to the
Dy Commr in continuation,
Head- Office deputed the
undersd Asst- Commr
on Deshagiri Road to
proceed to T. Narsipur

enquiry on the spot: In

should be permitted
to be conducted as per
manual. The Vadagalai
petitioners were informed
accordingly.

Instl- no 211 dated
6th November 1904.

24. Singlachar and
one Srinivasa Iyengar
of the Tengalai sect- have
in their petition stated

(i) that there has been
no Desikar idol in the
Ranganayakaswami
temple from the very
commencement;

(ii) that the idol, which
the Vadagalais call by the
name of Desikar, is
Sirumanji Nambi idol
(and not- Desikar) brought-
from the Varadaraja
-swami Temple at Conjee
in 1884, where it- had
been kept- without- puja;

that-

iii That there were only 9 idols in the temple, the descriptions of which are given in the accompanying list (submitted by them);

iv That when the present Dy Commr, who is of the Vadugule sect went to T. Narasipura on the 8th May last the Vadugule people represented to him that the Tengale people were trying to put a stop to the Dasara utsavam, without informing him of the non-existence of such an idol.

iv That the present Asst Commr went to T. Narasipura on the 22nd September 1904 and held a very departmental enquiry on the subject, and issued an order against removal

Armed Head- the Vadugaka people, on the strength of this order are trying to bring out in procession the disputed idol of Sivanungi Aswar under the name of Dévikar, on the 3rd January 1902.

the temple and was shown

Seshagiri Rao was of
opinion that the complaint
appeared to have been made
by the Gungales with the
sole object of denying
the existence of Desikar

when the Vadagales had
denied the Gungale's right

to some extent supported
by the fact that the

afterwards was ordered
to be stopped.

Sailed to the Deccan.

I visited these temples
on the 8th instant and
the persons complaints
appeared to me to be the
outcome of the disputes
existing between Vadgalés
and Deccanés in the place.
The Consecration of a deer
idol in the Hanumantha swamy
temple there was rightly
forbidden, but I cannot
say that the permission
granted to cause one be
for this site idol in a
building built on an
unobjectionable site
was improperly withheld.
A small building was
raised in a hurry on
the vacant ground
adjoining Hanumantha swamy

temple and without any
intervening space between
this temple and the new
building, so that devotees
who wish to do Pooja &c
for Jaganadha cannot
have necessarily to
do the same for the lesser
idol also. And as
Sreedara says in giving per-
-mission without any
reference to his superior
to construct the new
building and to consecrate
the idol, and his
Conduct, as remarked
by Mr. Madhavaiah, by no
means appears to advantage
inasmuch as the very
that he had undertaken
by giving powers to
the Sengalis to whose
sect he belonged, for building
a door to open a passage
between the new Seeta temple
and the old Jaganadha swamy
temple was considered to
be necessary in addition
best I think that the
order of Mr. Masers
order should be enforced
as that is the least that
can be done if the
new temple is to

where it is. It is very undesirable to put a stop to further misunderstandings, to order the temple to be built elsewhere on a site to be approved by the Dy. Commr. The cost of the present building seems to be about a hundred rupees or so and it will be no hardship if the Sengalese are compelled for their own comfort and convenience to demantle the building and Construct it elsewhere. The question of re transferring the Idol to the new Devil idol may stand over for the present till the Sengalese make amends by obeying the orders of the Dy. Commr to leave a passage between the two temples.

As regards the Devil Idol there seems to be no doubt as to its genuineness. Mr. Seneviratne's conclusions appear to me to be right and the ceremonies in connection with this idol may be allowed as before.

Seen. I shall go to Town & personally

Muzrai Secretary's Remarks.

I visited T.Narsipur twice and heard both parties at great length. The state of feeling between the parties in this matter being very bitter, they do not fear to descend to falsehoods in support of their respective claims. A brief resume in Kanarese of the several points of contention is placed in the file.

The most important point in the case is the construction by the Tengales of a temple for the head of their religious sect known as the Jeer. When due sanction had been given by Rai Bahadur Sreenivassa Charlu as Secretary to Government in the Muzrai Department that the temple for the Jeer might be constructed in some unobjectionable spot outside the premises of the Sri Gunja Narasimhaswami temple, there was no reason why the Tengales should have built the temple in such hot haste and laid themselves open to complaints from their opponents. The Amildar Mr. Sundararaja Iyengar's very hasty and unauthorized action in this matter drew upon

him the severe censure of Rao Bahadur Mr. C.Madiah , then Deputy Commissioner of the Mysore District, and the Amildar was soon afterwards transferred to another Taluk. The new temple has been built close to the Janardanaswami temple and it is complained that no intervening space has been left to allow of persons to go in Pradakshine around the Janardanaswami temple alone. There is no doubt truth in this complaint and the remedy suggested is that the new temple should be altogether demolished and ordered to be built elsewhere or that alterations should be made therein so as to leave an open space of 1½ feet between the two temples. The actual demolition and removal of the temple which has been actually consecrated and wherein worship is conducted is an extreme measure which, in my very humble opinion, is not called for in the circumstances of this case. The new temple complained of has not been built within the four walls of the main temple of the Sri Gunja Narasimha Swami; it has been constructed in the large open

Muzrai Secretariat. | File No. of 190

space outside, which belongs to the big temple, and its absolute and entire removal is not a necessity. As regards making a passage between the two temples, there is hardly any space for effecting this, as the inner length of the new temple is only 7ft 1 in., and in the centre of this length the stone idol and --- Utsava idol of the Deer are placed. A space of about 2 ft is now left on either side of the images and the construction of a new wall within this small space would be found practically impossible and would further necessitate the removal and replacement of the stone idol which has been already fixed in the ground. All these alterations are not, in my humble opinion, really required in the circumstances of this case. The objection raised that the present arrangement precludes the possibility of Pradakshina being made to the Janardanas and alone is not, in my humble opinion, as important as it is made to appear by the Vadamalas. The so-called Janardana temple is only a small Mantap in which a stone figure of Janardana swami is placed. We find several such idols scattered

Muzrai Secretariat. File No of 190

about in important temples and there is no absolute necessity that each one of them should be worshipped by devotees before going to the big temple. Even if this is considered necessary, there are instances of temples such as that of the Sri Prasanna Krishnaswami in the Mysore Fort in which the images of Vedantacharya and the Jeer (the patron saints of the two rival sects) are so placed in the main temple that a person who wishes to make pradakshine to God is compelled to make Pradakshine to these saints also. There are also instances in which the idol concerned is so placed that Pradakshine of it is absolutely impossible. In such cases, either the Pradakshine is done away with, or the person concerned turns round on the very spot where he stands in token of Pradakshine. All things considered, I beg to repeat that it is unnecessary to order either the removal of the temple or the opening of a passage, which I have pointed out to be next to impossible. The above mentioned concession would be a great boon to one important section of the community (viz., the Temples), as the removal of their consecrated in spite of their misguided action,

MGCPB—3,500—15-10-04

Muzrai Secretariat. | File No. of 190

temple would be very much felt by them.

Another request of the Tengales is that on the day of the Jeer's Tirunakshatramthe idol of God Sri Narasimhaswami should be brought to their new temple and worshipped and that their new Jeer idol should be taken in procession in the streets in front of and facing the God Narasimhaswami. This is what is done to the Desikar, whose image is consecrated within the precincts of the big temple and the same privilege is asked for in the case of the Jeer also. This request cannot, in my humble opinion, be granted, as the new Jeer's temple is situated outside the precincts of the new temple and as the proposed action would be against mamul. They may however be permitted, as before, to have the Tirunakshatram of the Jeer performed in the Ramanujachar's Sannidhi, utilizing therefor the annual cash Tasdik of Rs 1-7-3, which may be continued to them. The above is, in my humble opinion very liberal treatment as regards the Tengales and I have ventured to recommend it as I feel that

his important section of the community should not
eel trodden down owing to their misguided action for
hich the then Amildar Mr. Sundararaja Iyengar was
ore responsible than themselves.

Now, turning to the Vadagales, it is clear
hat they have a stone image of Desikar within the
remises of the big temple, and also an Utsava Vigraha,
nd that the God is brought to the Desikar's temple
nd then taken out in procession in the streets with
e Desikar in front as Yeduru Utsavam. All these
cts are clearly established by Mr. C.B.Seshagiri Rao
his report on the subject. The Tengales have tried
to show that the Utsava murti of Desikar is a spurious
one, but the existence of the idol has been proved
by the old accounts. The former mamul in regard to the
Desikar may therefore be restored in the matter of
the worship and the Yeduru Utsavam in the streets .

The above procedure will no doubt make the
two parties somewhat unequal in their privileges,
but it cannot be helped considering the previous history
of the case and the hasty action of the Tengales in

Adverting to Government Proceedings No 613 of the 9th November 1901 directing that pending final orders regarding the Questions raised in Connection with the Nanjangud temple at Parasurama Strict adherence to the Manual of the last years settlement permitting any innovation whatever should be enforced on the occasion

of the Jeejeer Turnmakers Turnmaking
off on the 13th Inst, I have the honor
to State that immediately on receipt
of Government orders, I deputed
Mr Assistant Commissioner Ramaya
Swami Naik to proceed to Karur
-pur forthwith and see that the
Jeejeer Turnmakers turnceremonies
are carried out in strict Conformity
with the Manual C.

From the accompanying
Copy of his full report (Letter No C
dated 15th November 1901, it will be
observed that owing to the out-break
of Plague at Karurpur there was
but a nominal attendance of Sri-
-Vaishnava Brahmins on the present
occasion - both the Thengalai and
Vadagalai Sects present being not more
than three - that the Ceremonies which
Came off on the 15th, not the 16th ins-

with the instructions laid down by Government in the order under reference and that there was no parading of the gods in the public streets.

A post Copy of the telegram despatched to you yesterday is enclosed.

From

Sir

With reference to Government
Proceedings No 613 Mujrai dated the 9th Instant
in re the Carrying out of the Fasli Zeru
Nakotherwise Ceremonies at T Narsipur
in strict adherence to Manual Circular
Conveyed in your official Memo-
randum of the 9th Instant, I have
the honor to States as follows:-

2. In due obedience to your orders
I left Mysore for the said durbar

the 11th Instant. The town is wholly
Evacuated and the people are living
Huts on account of Plague. Consider-
ing the present distressed Condition
of the People who are put to great
hardships on account of the dire Epi-
demic I found there was very little
likelihood of the Jeeyer Zirmak.
Chetrum taking place this Gearahall.
3 There are 'understand very
few Vadagalai houses at Narayur,
and those of Thengalais are fewer still.
We have sent for the leading men of
both Communities not more than three
persons of both sects as heard be-
-fore me. The Jeeyer Zirmak Chetrum
was not to take place on the 13th Instant,
the heads of both factions having de-
-clared before me that it falls on the
15th Instant. The Government order
as well as the D. O. letter of the Deputy

Secretary were, however, read out & explained to them clearly, more so because to the Thengalars. The pronounced nature of the Government order was brought home to the latter, who expressed their willingness to conform to the Government order to the very letter

4. There being not the slightest probability of the occurrence of a breach of the peace, no steps were taken to obtain extra Police help from Mysore.

5 I having remained here till yesterday night, awaiting further instructions from the Deputy Commissioner, I thought I might as well see in person that the Iyengars Tirunak-shatrum passes off without any hitch. I accordingly attended the Ceremonies that were performed this Morning in Sri Ramanujachari's

ammedhi, in accordance
with the said Government order
The Amildar was also present. There
was no parading of the god nor that
of the Jeeyer in the streets I noticed
again that not more than three Sri
Vaishnava Brahmins, including
both Sects, were present on the occasion,
the Archak excepted

6. The Thengalai people of whom
there were only two present, performed
some Athirshekam ceremony
within their new Jeeyer temple, at
their own Cost. There again there was
no parading of either the god or the
Jeeyer in the streets. The ceremonies
in both the places went off without
a hitch.

7 The Government order under
reference as well as the Deputy
Secretary's D.O letter are hereunto returned.

Memo

This is an appeal against the order passed by me on the 22 of September 1901 to the effect that the Desikar Thirumakshatram in Sri Ja Narasimhaswami temple in T. Narasipur may be conducted according to Manual -

It is contended by the appellants that there is no idol of Desikar in the said temple, but the inventary prepared in 187, shews beyond all doubt that there was, and is, such an idol in the temple - The action against Hundi Krishna chari son - that he was bent to introduce such an idol into the temple appears to have been made with the sole of denying the existence of such an idol as a cover, revenge to the [illegible] had denied the Tengalais [illegible] to Conserate [illegible]

It is [illegible]

tention there is no evidence whatsoever.

The Proceedings referred to in paras 3 and 4 of the appeal memo are no other than the attempt already alluded to, to deny the existence of the Desikar idol.

When I visited the temple in September last I sent for, and perused the old Pasalik patties. They provided for the celebration of the Tirunakshatram of both Desikar and Jeyar. That being so, I discussed with the Tengalis, and convinced them that their objection to the celebration of the Desikar Tirunakshatra (ದೇಶಿಕರ ತಿರುನಕ್ಷತ್ರ) was not valid, adding they in their turn, would of course be at liberty to celebrate the Jeyar's Tirunakshatra. This satisfied them and so they do not care to cross examine the witnesses examined by me.

In these circumstances I fail to see how the order appealed against is opposed to law and

In 1899, when the Tenga

Note to the Dewan

There is a long standing dispute between the Tengalai and "Vadagalai" sections of Iyengars at Triplicane last year when the factions made a demonstration at the time of the Car Utsavam it was stated that I should visit the place and report upon the state of things there. The Perukkan Utsavam being now very near (14th instant) it has become necessary now to go there.

I beg therefore permission to be absent from Mangalore on Mofussil duty for about four days next week, from Wednesday the 15th instant. On this trip, I shall see Sooda and Subba and make enquiries regarding

Note

The accompanying petition relates to the celebration of Desikar's Tirunakshtram in the Sri Ghuja Nara-simhaswami temple in the T. Narasipur Taluk, which is to come off on 18th October 1903. As the Dewan is aware, there is a long standing dispute between the Vadagalais and Tengalais regard-ing the new Jeeyar temple built by the Tengalais and other questions. I saw the place some time back and collected much material in-formation, but

owing to the complicated
nature of the case,
I regret that I have
not as yet been
able to submit my
note on the subject
for the Consideration
of the Dewan. I have
been latterly working
on the case and
hope to submit the
matter within a
week or so. Meanwhile
as the Tirunakshtram
is close at hand,
I think that, pending
a final decision
of the case, the
Utsavam may be
ordered to be stopped
as was done last
year. An endorsement
to that effect is

Submitted for approval.

Petitions from Upadhya Narasimhachar and others of the Vadagale sect and Yajurveda Singlachar and others of Tengale sect, of the Sreevaishnava Brahmins at T.-Narsipur, regarding Jeeyar's and Desikar's Utsavams at T.-Narsipur.

And the records submitted by the Deputy Commissioner, Mysore District, on the subject.

No. 3742, DATED BANGALORE, 5TH MARCH 1906.

ORDER THEREON.—The facts of the case are as described below :—

2. First, as regards the Jeeyar of the Tengale sect. In 1895, Adhyapaka Sreenivasaiengar and a few other Tengale Sreevaishnava Brahmins of T.-Narsipur submitted a petition to Government stating that the Jeeyar idol consecrated in the Sri Gunja Narasimhaswami temple was lost some years ago and soliciting permission to consecrate a new idol in the temple. On enquiry it was found that the old Jeeyar Vigraha was lost about fifty years prior to 1877, that the question of consecrating a new Vigraha came up in 1860, 1861, and 1876 before the Chief Commissioner and the District Muzrai Officer, respectively, and that they all declined to grant the permission asked for, on the ground that the Vadagale Sreevaishnavas of the town objected to the consecration of a new Jeeyar idol in the temple. Thereupon the late Muzrai Secretary also declined in 1898, to grant permission for the consecration of a new idol *within* the premises of the Sri Gunja Narasimhaswami temple, but at the same time observed that if the Tengale petitioners desired, they might have a new Jeeyar idol consecrated at their own cost in an unobjectionable site *outside* the temple premises. On receipt of this order, the Tengales constructed in great haste a building for the purpose, attaching it to one of the sides of the Sri Janardhanaswami temple, situated outside, but near the Sri Gunja Narasimhaswami temple and completed the consecration of the Jeeyar idol therein. Before the Pratishta ceremony came off, petitions were received by the Deputy Commissioner of Mysore from some of the Vadagale Sreevaishnava Brahmins complaining that the Amildar Mr. Sundararajiengar, who belonged to the Tengale sect, had sided with the members of his sect and had unauthorizedly granted permission to construct the new building so as to adjoin the Sri Janardhanaswami temple in an objectionable manner and praying for prohibitory orders. These petitions were referred by the Deputy Commissioner to the Amildar for report, but the latter took no notice of them and allowed the Tengale Brahmins to complete the consecration ceremonies, which they commenced on the 25th and completed on the 28th November 1898. Upon the submission of the records, however, by the Amildar, the temple was personally inspected by the Assistant Commissioners, Messrs. M. Nanjaraj Urs and A. Ananda Rao, and by the Deputy Commissioner, Rao Bahadur Mr. C. Madhah, and the last-named officer issued an order to the Amildar Mr. Sundararajiengar, severely censuring him for his hasty and unauthorized action in this matter and directing that the Jeeyar temple should be separated from the Sri Janardhanaswami temple by allowing a passage between the two temples so as to allow devotees to go in pradakshina around the latter. On appeal to Government by the Tengales, the late Muzrai Secretary passed an order on the 19th March 1901, observing that the question of leaving a passage between the two temples as ordered by the Deputy Commissioner, would be considered later on but directing, however, the annual payment to the new Jeeyar temple of Rs. 1-7-3 being the tasdik allotment fixed in the Sri Gunja Narasimhaswami temple for the Jeeyar's Tirunakshatram. Against this order of the late Muzrai Secretary the present appeal to Government has been preferred by the Vadagales.

3. The Government observe that when due sanction had been given by the late Muzrai Secretary that a temple for the Jeeyar might be constructed in some *unobjectionable* spot outside the premises of the Sri Gunja Narasimhaswami temple, there was no reason why the Tengales should have built the temple in such great haste and laid themselves open to complaints from their opponents. The Amildar, Mr. Sundararajiengar, was rightly censured by the Deputy Commissioner for his

Muzrai, dated 5th March 1906.

very hasty and unauthorized action. The new temple has been built close to the Sri Janardhanaswami temple and it is complained that no intervening space has been left to allow of persons to go in Pradakshina around the Sri Janardhanaswami temple. There is no doubt truth in this complaint and the remedy appears to be that either the new temple should be altogether removed from its present situation and built elsewhere or that alterations should be made therein so as to leave an open space of 1½ feet between the two temples as agreed to by the Tengales in a Mutchalka given by them to the Deputy Commissioner, Rao Bahadur Mr. Madiah. The removal of the temple, which has been actually consecrated and worship wherein is conducted, is an extreme measure which, in the opinion of Government, does not appear called for in the circumstances of this case. The Government therefore direct that the order of the Deputy Commissioner, Rao Bahadur Mr. Madiah, should be immediately carried out, that is, that the Tengales should alter the new building so as to have an open space of 1½ feet between the two temples, which might be used as a passage between them for making Pradakshina. If it is impossible to carry out this alteration without displacing the idol of the Jeeyar newly consecrated, the situation must be faced and the temple removed elsewhere. This order should be fully carried out within three months from this date and a report submitted on the subject on the expiry of that period. As regards the request of the Tengales that on the day of the Jeeyar's Tirunakshatram the idol of God Sri Gunja Narasimhaswami should be allowed to be brought to their new temple and worshipped there and that their new Jeeyar idol should be permitted to be taken in procession in the streets in front of and facing the image of the God Sri Gunja Narasimhaswami, the Government observe that this request cannot be granted as the proposed action would be against *mamul*. They are of opinion that all innovations tending to sectarian differences and caste feuds must be put down with a firm hand, and they are not therefore prepared to show any concession to the Tengales who have sought to establish an innovation against an express order and by irregular means. All innovations regarding the Jeeyar must therefore be prevented and the mamul must be strictly adhered to. The old tasdik allowance of Rs 1-7-3 per annum for the Jeeyar's Tirunakshatram will be continued as already ordered by Government.

4 Secondly, as regards the Desikar of the Vadagale sect. In 1899, a petition was received in this office from Yajurveda Singlachar and others of the Tengale sect stating that there was no Desikar Utsava idol in the Gunja Narasimhaswami temple and that some of the Vadagale Brahmins had been contemplating to newly consecrate one of the old Vigrahas in the temple. This petition was forwarded to the Deputy Commissioner by the late Muzrai Secretary with the observation that, if the allegation contained in the petition were true, no consecration of any new idol in the temple should be permitted. Thereupon the Amildar, Mr. Sundararajiengar, appears to have stopped the Desikar's Utsavams. A counter-petition was received from the Vadagale Brahmins on the subject and the Deputy Commissioner has submitted the records of his local enquiry. From these records it is clear that the Vadagales have a stone image of Desikar within the premises of the Sri Gunja Narasimhaswami temple, and also an Utsava Vigraha and that the god is brought to the Desikar's temple and then taken out in procession in the streets with the Desikar in front as Yeduru Utsavam. All these facts are clearly established by the report submitted by the Assistant Commissioner, Mr C. B. Seshagiri Rao, who was specially deputed by the Deputy Commissioner for the purposes of local enquiry. The Tengales have tried to show that the Utsava Murti of Desikar is a spurious one, but the Government find that the existence of the idol has been proved by the old accounts of the temple. In these circumstances the Government are pleased to direct that all the mamuls relating to the Desikar in the matter of the worship and the Yeduru Utsavam in the streets must be restored and allowed to go on. The Deputy Commissioner is requested to see that these orders are duly carried out.
